The company establishes Ezralow's presence and is the new home to his extensive repertory and creativity - **thirty years** spent around the world. **Ezralow Dance** draws from Ezralow's latest creations and will produce new works for U.S. audiences.

Hailed by the Chicago Tribune as "One of the best American dancer-choreographers now working on an international scale," Daniel Ezralow is an award-winning choreographer, director and multi-media artist known for his work in theatre, dance, opera, television and film. He is the recipient of two American Choreography Awards for innovative and outstanding choreography, an EMMY Award, the Premio Positano (Italy), the Nijinsky Award and an NEA

Choreographic Fellowship.

Ezralow is the artistic director and founder of **Ezralow Dance**, founding member of **ISO Dance** and an original dancer/choreographer of **MOMIX**.

OPEN is Available for the '15-'16 Season!

Preceding his choreographic success in the 2014 Sochi Olympics opening ceremonies, Daniel Ezralow created the quirky world of **OPEN** which toured in over 40 Italian cities during the 2012-2013 season. Full of standing ovations and international glowing reviews, **OPEN** mingles contemporary dance with playful humor, provocative ideas, striking visuals and an unforgettable classical score. Ezralow's unique combination of movement and music transports audiences to a dimension of creative fantasy and dramatic emotion.

Ezralow's American company, **Ezralow Dance**, presents all elements from the Italian tour of **OPEN** with additional choreographic surprises for U.S. audiences. **Ezralow Dance's OPEN** is available for the '15-'16 season with potential **residencies, master classes, workshops, lectures, school shows** and **talkbacks** with Daniel Ezralow and the cast.
